ROSE CATALOG

GROWING PREMIUM QUALITY ROSES

Thank you for considering our premium quality roses for your business, florist or project. Our team is ready to assist your purchase and coordinate import logistics with committed attention.

TIKAN

WWW.TIKANFLOWERS.COM

TIKAN FLOWERS is a passionate Ecuadorian producer and exporter of high quality roses, located at 3000 meters above sea level, on the slopes of the COTOPAXI volcano (Latacunga-Ecuador), which gives us a cultivation advantage to produce large roses, with dazzling colors and unique aromas, we have 11 hectares of floral diversity ready to be exported to your business, florist, event and more.

Despite being a relatively new company in the floral industry, we distinguish ourselves with unparalleled excellence and premium quality that can be appreciated in each of the petals in our roses, representing TIKAN as a reliable company on the world stage with shipments to more than 24 countries.
